Draw in cast on edge of body and seam along row edges. Stuff as you go.
Attach ears, arms and feet securely using long ends left drawing in at base to shape. Sew in any ends.
Using satin stitch and black yarn, embroider the eyes, mouth and nose.
Using a running stitch and red yarn, embroider a seam up the sides of body and front and back of head.

Do a pull check on the ears, arms and feet to ensure they are securely fastened and cannot be pulled off by your Bingster.
